Research & Technology
Research and Technology gifts enable the University to support the research enterprise, promote scholarship and artistry, and address global challenges.

25.3%
Student Support
Gifts to Student Support areas benefit our students through scholarships and graduate fellowships. As state support decreases and more of the burden of tuition falls to our students, scholarships help maintain an avenue to access—an important part of our land-grant mission.

36.1%
Facilities
Private support for Facilities at CSU enables the University to provide an environment conducive to learning and research that keeps our students and faculty at the cutting edge of innovation and discovery.
