2018 IMPACT REPORT

THANKS A BILLION!
You believed. You believed in us. You believed in designing innovative, relevant academic programming and spaces. You believed in creating an exceptionally supportive student experience. You believed in growing our extraordinary faculty and staff. You believed that we could. And we did. Thanks a Billion for believing in us.

PROMOTED
integrated research and education, encouraging collaboration across the University to solve our most pressing global problems.

CELEBRATED
our past, present, and future from the new Iris and Michael Smith Alumni Center.

CHEERED
on our Rams at hundreds of games, matches, and meets – from the field, from the court, and on the road.

CLOSED THE GAP
between the GI Bill and the real cost of attending college for student-veterans through unprecedented scholarship support.

ENVISIONED
innovative, hands-on learning environments where students apply world-class research to gain practical industry skills.

SUPPORTED
the learning communities, scholarships, and experiences that ensure CSU students graduate with the skills they need to succeed in the world.
