A MESSAGE FROM THE DEAN

Thank you for your incredibly generous investment in the future of our students. We sincerely thank every individual, company, and organization for your devoted support. Because of your partnership through scholarships, many of our students are achieving their dreams of earning a college degree. Students are able to focus on their studies more, maintain higher GPAs, and be more involved members within the College of Business and throughout campus. These are the students who are our future leaders, entrepreneurs, and community members who will be using their business talents to make our world a better place. As dean, I am honored and humbled by the trust, faith, confidence, and investment that you place in Colorado State University and in our College of Business.
